

Call for Papers

Business Meets Technology – 1st International Conference of the University of Applied Sciences Ansbach January 25th until 27th, 2018

Welcome

The 1st International Conference of the University of Applied Sciences Ansbach will take place on January 25th to 27th, 2018 at the University of Applied Sciences Ansbach, Germany, chaired by Prof. Dr. Barbara Hedderich and Prof. Dr. Michael Walter. We invite you to Ansbach.

Topic

The topic of the conference is „ Business Meets Technology “. By suggesting such a broad theme we aim at inviting researchers with a variety of interests in theory and research in diverse areas of science. By providing a general motto we emphasize that contributions from all areas of science are welcome. A cultural program is offered on January 27th. Excursion destinations are the city of Schillingsfuerst and Rothenburg o.d.T.

Types of contributions

- Oral presentation of a paper
- Coordination of a workshop

Please submit your presentation proposal (abstract, max. 200 words) until 24.11.2017 (via email to conference@hs-ansbach.de). Expect a notification on the presentation acceptance within one week. Furthermore, to be included in the reviewing and publication process, we ask all presenting authors to submit the final paper until 15.12.2017.

Paper submission

Authors are invited to submit a full paper (two or four pages including figures, tables, references etc.). Each paper has to be prepared according to the paper guidelines (see template on conference web page). All papers will be reviewed by independent reviewers. After the conference all accepted papers will be published in the conference proceedings (with ISBN code) in spring 2018. Each author may submit and present only one paper as first author; additional contributions as co-author are welcome.

Conference language

The conference will be held in English. We invite international colleagues to contribute. If a session is visited exclusively by a German speaking audience the presenter is free to skip to German.

Registration and fees

until 01.11.17 Early bird: 150€ for students and 200€ for other participants
until 01.12.17 200€ for students and 250€ for other participants
