

HOCHSCHULE ANSBACH

GLOBAL FRIENDSHIP HUB

12 JANUARY 2026

Are you in your 2nd or 3rd semester and interested in intercultural exchange?
Our Global Friendship Hub is a supportive mentoring programme in which new international students are accompanied by experienced 'buddies'. The aim is to make it easier to get started, clarify questions and find their way around the university more quickly.

As a buddy, you take part in Orientation Week, get-togethers, excursions and other activities while helping new students settle in.

All buddies receive a certificate of participation for their CV.

Apply by February 15 via this link: <https://tally.so/r/LZ9yE0>
