Journal articles:

In our online catalogue: Search for the title of the journal, not for the article.

In our databases: Search for articles to a specific topic.

How to use the library?

Within the library the use of our media is possible without formality. For borrowing books a CampusCard is required.

Your library account

Your user number is the number on the back of your CampusCard. Your preset password is your date of birth in the form DDMMYY.

For example: Your birthday is the 20th of October 1982 → your password is 201082

In your account you can see all the items you have borrowed, your reservations, your fees, your interlibrary loans and you can also renew your loans (if not reserved by another user).

Library rules

Overdue media will automatically cause overdue fines (7,50€ for the 1st, 10€ for the 2nd, 20€ for the 3rd overdue notice...).
